**We request you to examine the possibility of organizing «National exposure» of The Republic of Latvia within the framework these exhibitions.**

The organizational support of the Embassy of The Republic of Latvia in the Republic of Uzbekistan will make it possible to inform maximally the enterprises of The Republic of Latvia about conducting of exhibitions and to draw companies, which are interested in the advance of their production in Uzbekistan.

All exhibitions of the company International Expo Group are conducted with the official support of the corresponding Ministries and Departments, Mayor's office of the City of Tashkent, which ensures the high degree of information among participants of market about conducting of these events.

Make it possible to express appreciation for help and collaboration! For more detailed information about the exhibitions please contact the Organizing Committee of the International Expo Group.

Sincerely Yours,

**Erkin Muratov**

**Director**

**International Expo Group**
